

Most Common Moving Mistakes

Moving from one place to another requires a lot of time, money & energy, which can prove to be stressful, if not done properly. Here are a few common mistakes people often make while displacing.

Inadequate Research About The Mover

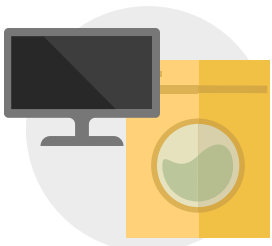

Before you commit to a moving company, make sure that they are licensed by your state's transportation department.

01

02

Packing Flammable Materials

Never pack flammable materials while moving, because by doing so you not only violate law but also put your & the movers life in danger.

Not Insuring Adequately

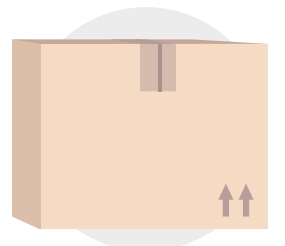

When you are hire a moving company, ensure that you get an adequate coverage for all your belongings.

03

04

No Inventory

When you start packing your stuff, make a proper inventory regarding what you put inside a box to have a better & clear idea while unpacking.

Forgetting To Change The Address

Make a list of places where you'll need to make the address change and update it as soon as possible.
