

# Home Staging Tips For Summer

Staging a home makes a positive impact on potential renters by highlighting positive attributes of a property.

The exteriors should be appealing. Change the welcoming mat and put extra efforts in cleaning windows, driveway, doors, etc.

Plant some colorful flowers in your garden. Trim the grass & trees, pull out weeds and remove empty planters.

Highlight your outdoor space by emphasizing on patio furniture. Use bright throw pillows to add a pop of color.

Flaunt your pool by cleaning it thoroughly. Also, make sure that the surrounding area looks spotless.

Clean the rooms & use accessories in bright colors. Also, keep minimal furnishings to make the home look spacious & airy.
