

Steps Of Home Buying Process

Buying a new home requires experience and thorough knowledge. Let us help you understand the process:

01 Build an effective budget to map out your plan. This will help you in determining the affordable price range of properties.

02 Hire a professional for conducting property appraisal of the shortlisted home before signing the deal.

03 Choose a realtor for professional advice & assistance in buying a home within your budget.

04 Research about mortgage options that are suitable for you. Make sure that you get pre-approved for the mortgage.

05

04

03

02 Have a clear picture about your requirements. Create your own wish list. Also mention the features that you would avoid.
